

# **- Habits of Learning -**

- Organization**
- Communication**
- Collaboration**
- Self-Reflection**

# **-Organization-**

- Manages digital and physical materials efficiently.
- Arrives on time and prepared. Sits immediately.
- Acts safely, stays in area, and keeps it neat.
- Completes tasks in a timely manner.

# **-Communication-**

- Follows verbal and written instructions.
- Communicates clearly in the connecting language.
- Seeks a reasonable amount of help, if needed, in a timely manner.

# **-Collaboration-**

- Avoids causing disruptions in learning.
- Seeks to understand differing points of view.
- Contributes constructively.
- Helps neighbors understand when appropriate.

# **-Self-Reflection-**

- Monitors academic and behavioral performance.
- Applies feedback to improve learning.
- Connects with our school's mission to support academic and personal growth.
